YALE CONQUERS HAMILTON SEXTET

600 Witness Game—Excellent Work of Yale Goal Guard Keeps Hamilton Scoreless

Before a crowd of over 600 people the Buff and Blue skaters met an 8-0 defeat last Saturday evening at the hands of Yale. This is the first shutout experienced by the varsity this season and to Hamilton's credit be it said that Eli found a stubborn defense opposing her throughout the entire game. For the first time in history a game was played in the Arena at New Haven on natural ice. The apparatus for the manufacture of ice fell down on the job and resisted all attempts at repair; the cold weather, however, kept the rink in good shape for the game.

It was a good game to watch. The two teams battled on even terms during most of the first period, and it was only the excellent work of the Yale net defender that prevented Hamilton's offense from scoring. For ten minutes the puck went merrily round the rink, now in the hands of Yale, now of Hamilton; but it was kept out of either goal. In the last few minutes of the initial session the Yale center received a pass from Lindley and diverted it into the goal for the first score. Before the bell clanged Charlie O'Hearn raised his team's score to two by a long shot from mid-rink.

The second period had been in progress two minutes when Marks bounced a shot off his chest. The shot was well followed and a Yale forward poked the puck into the cage for the third score. A long side shot by Bulkley and a pretty one by Lindley further elevated Yale's lead, and at the end of the second period the Buff and Blue was on the small end of a 5-0 score.

Three penalties saw the light of day in the final period as a little roughness developed . The Yale guard was one of the referee's victims when he went to his knees to stop a Hamilton shot. O'Hearn took his place in the cage. During this period clever passwork by the Yale forwards sent the puck past Marks three times. Bulkley scored from the side, Norris lifted a short one in, and Reid finished the scoring when he received a long pass and directed it into Hamilton's goal.

The Eli team, one of the strongest sextets in the country and vanquisher of Princeton, was in excellent form. Her defense proved to be the undoing of the Buff and Blue forward line, while the flashy passing of Reid, Chisholm and Bulkley was able to elude the Varsity and score eight times. If comparative scores are worth anything, it would seem that the Buff and Blue had improved since the Princeton game. The Thompsons played well for Hamilton, as did Marlow at the defense position. The work of J. Vaentine, filling the shoes of Bates at right defense is worthy of praise.

With but one more contest on its schedule, the varsity is completing what has been undoubtedly the most difficult season ever undertken by a Hamilton team. Almost without exception, the opponents have been of a class far above the average. The best teams in the United States and

FROSH WIN ONE OF THREE GAMES

Defeated by Ilion and Frankfort—Triumphant Over New York Mills

The Buff and Blue Frosh quintet enocuntered three high school teams last week in the vicinity of Utica, namely, Ilion, New York Mills, and Frankfort. The personnel of the Hamilton team was Ireland, center; Fredenburg, forward; Ricketts, forward; Holley and Paine, guards, and remained the same in all three games with the exception of the substitution of Breen for Ireland, who was put out on personals towards the close of the Frankfort game, and Shenier for Ireland in the New York Mills game.

The Ilion five defeated the Buff and Blue on Wednesday night by the score of 44-31. The game was played on an unusually small court, so that little passwork was used by either team. O'Neill, the crack Ilion center, was the star of the home team. Paine and Fredenburg were in excellent form for the visiting team.

On Friday night the Hamilton team scored a victory over the high school team at New York Mills by a score of 32-25 in the closest game of the trio. Here again the game was played on a small court, the team scoring the greater number of its points on long shots. The individual scoring was evenly distributed among the men of both teams. Until the last quarter the New York Mills quintet had led the scoring, but at this point the Buff and Blue rallied and completely outplayed the home team.

The Frankfort High team won the last game of the series on Saturday night at Frankfort, 35-25. The Frankfort men got the jump at the start and scored ten points before the Frosh succeeded in caging a basket. Schwartz, a former Hamilton athlete, refereed the game. Paine topped the scorers for the Buff and Blue.

The Debate Council announces that the Intercollegiate Debate schedule as originally made out has been changed by the addition of new debates and a subsequent change in the personnel of the teams. DR. HAUCK'S HOME DAMAGED BY FIRE

Fire Caused by Defective Chimney—Firemen Do Efficient Work

Last Saturday the house owned by Miss Mildred Terrett on Williams street and occupied by Dr. Hauck was damaged by fire to the extent of about $1,500. The screams of Mrs. Hauck summoned neighbors, who were able to remove most of the furniture. The fire is believed to have started from a defective chimney leading from a fireplace. An alarm brought the fire department to the house, and some very efficient work was done despite the intense cold. The house is wooden, one and one-half stories high. Dr. and Mrs. Hauck are living temporarily at the home of James H. Taylor.

VARSITY QUINTET INVADES NEW ENGLAND COURTS

Wins from Albany Teachers, but Loses to Massachusetts Aggies and Springfield—Team Suffered a Slump in Last Two Games.

Last Thursday night the Buff and Blue basketeers won the first game of their New England trip by defeating the Albany Teachers' College by the score of 45-18.

The Varsity five failed to hit their stride in the first half; consequently the contest was slow and listless and the score at half time was 7-6 in favor of Hamilton. But in the next period the Albany defense let down and the Varsity took advantage of this to get 38 points. The team scored almost at will. Hamilton outplayed their opponents in every way and showed a superior brand of floorwork that excelled any seen on that court this year. The passwork was up to form and the dribbling of the forwards was unusually fast and accurate. The guarding of Hamilton and McGiffin was invincible, which accounted for the fact that Shirley and Gainor, the Albany forwards, did not score a basket during the entire game.

Hornung, the fast center, who made most of Albany's points, seemed out of his element with the rest of his teammates, while Canton was the only other man to score.

In the second half, Croasdaile and Warren were substituted and gave a creditable showing, making two goals each. Doane was the shining light of the team and came through with six field goals, closely followed by Hatch with five. Marquardt with his usual uncanny eye for the net, although hampered by the size of the court, suceeded in distinguishing himself.

McGiffin made a perfect score on three free throws and Marquardt turned in three out of six for points, while the Teachers made only six out of twenty trys.

Massachusetts Aggies Win

The Buff and Blue quintet suffered a bad slump and succumbed to the attacks of the Massachusetts Aggies on Friday night by the score of 33 to 17. The Hamilton team was unable to hit its stride at any time during the game, and put up a very mediocre exhibition of basketball.

The game was rather slow and neither team seemed to be very proficient during the first half. The advantage see-sawed back and forth during the first period. One of the factors that entered into the quality of the contest was the extreme cold, and it seemed to have paralyzed the usually fast game of the Buff and Blue. The score at the end of half time was 12 to 9 in favor of the Aggies.

The second period was even more disastrous for the Buff and Blue fortunes. The Massachusetts aggregation started off with a rush and soon established a lead that was impossible for Hamilton to overcome. The pass work and general team work of the Hamilton team was very poor and was very different from the brand displayed at Albany on the previous night.

One of the main assets of the Aggies was the uncanny ability of Barrows to make good on the free throws. The Hamilton game was marred by the number of fouls called on them, and Barrows was able to make 17 free throws count. McGiffin was able to account for only seven free throws for Hamilton.

Marshman showed to excellent advantage for the Aggies at the center position. He was able to account for four baskets from the floor, besides keeping his man, Doane, from scoring at all. Bike was the other man who played well for the Aggies. He, also, accounted for four baskets.

Hatch and McGiffin played the best for the Buff and Blue. Hatch was able to account for three baskets from the floor, as well as holding his man from scoring. Ike McGiffin also had one field goal to his credit, besides seven fouls. Don Hamilton played his usually consistent game at guard, and held his man without a score to his credit.

Springfield Triumphant

In the hardest fought game of the trip, the Buff and Blue basketball team lost to the Springfield five at Springfield, Conn., by a 53-24 score, last Saturday evening. Fast passwork and leading featured the Springfield play. In passing, the ball was well timed. More use was made in batting the ball with both hands than in merely shooting it. The two Springfield guards and the center were exceptionally good sized men. Oosting, guard, was a whirlwind and proved a hard man for the Hamilton men to get past. Other men who starred for the Springfield team were Loebs, for-

Something To Do.

The period from March 5 to 29 will be one of general inactivity on the Hill. There are no intercollegiate contests scheduled at Clinton for the three weeks prior to the Easter recess. This is a time when the morale of the students sinks to its lowset ebb. Everyone becomes irritable and touchy. Some sort of spirit and pep is needed to tide over this interval. A suggestion has been made that an inter-fraternity basketball tournament be played.

We have all seen during the past week the enthusiasm that has been aroused by the interfraternity hockey games. There has been much ado over the final outcome of the contests. It has been the subject of conversation all over the campus. A friendly antagonism has been aroused and this is nothing more or less than spirit. Surely if we need anything on the Hill, it is spirit. No one can deny that. And we will need an abundance of it, especially during the coming inactive period, which is probably the worst time of the whole year.

Why would an intercrowd basketball tourney not furnish the desired pep? There will be plenty of time to play the games in a regular fashion and they will not have to be run off in a week as have the hockey games. The teams could be given a chance to practice and get in running form so that the games would be more interesting. It would be necessary to use the same eligibility rules that have been used in the hockey matches. This will stop a number of men from playing, but there ought to be enough material in each house from which to choose a good team.

It might be a good plan to collect a small fee from the contestants and give a banner or a cup to the winning team.

COUNCIL MEETS IN SILLIMAN HALL

Action Taken on Schedules for the Year—New Form of H Certificate Adopted

Several important matters relative to athletics in Hamilton College were discussed and acted upon at the meeting of the Executive Council held in Silliman Hall at 8 o'clock Wednesday evening, Feb. 21st.

The membership in the New York State Lawn Tennis Association was paid through Paul Williams, '08. This action makes Hamilton College an active member in good standing of this association. V. Alison, '24, manager of Intramural Sports, presented a schedule of eight tennis matches for the coming season. This schedule was approved by the Council. In connection with this schedule, the Council approved a gross expenditure of $417 and a net expenditure of $342.

R. Wood, '24, manager of football, announced the revision of the football schedule for the 1923 season by the substitution of St. Bonaventure and the University of Buffalo for Alfred and Haverford. An increase of $275 was granted for foootball, which makes the present appropriation $5,-325.

D. Jones, '24, presented several changes in the baseball schedule for the coming season. These changes were approved, and an appropriation for a gross expenditure of $1685 and a net expenditure of $1200 in baseball was made.

Two fencing matches with Cornell were announced, one at Ithaca on Mar. 10 and the other at Clinton on Mar. 24. The subject of appropriate insignia for the fencing team was discussed at this time. It was decided to order suitable insignia for the team, the choice of the insignia to be left to the coaches.

A new form of engraved H certificate was adopted, and sufficient copies of this new certificate were ordered. It is expected that this matter will be carried ahead as quickly as possible and that these new engraved H certificates will be received very soon.

PI DELTA EPSILON HOLDS IMPORTANT MEETING

A very important meeting of Pi Delta Epsilon, the national journalistic fraternity, was held on last Tuesday evening at the Chi Psi Lodge. A great many matters relevant to the College publications were discussed and several innovations decided upon.

The first matter discussed was that of installing a telephone in the Press Room, now located in North dormitory . This met with general approbation, and steps are to be taken to this end.

It was also announced that the Press Board has started to send a Weekly Letter to all the important newspapers in New York State. This Weekly Letter contains all the advance dope on the various athletic activities of the coming week and should be of great help in advertising the teams of the College.

The annual convention of Pi Delta Epsilon will be held this year early in March at Lawrence College, Appleton, Wis. Donald Jones, '24, will be sent as the representative of the Hamilton chapter.

GREATER INTEREST DESIRED

A desire was expressed for greater interest by the College in the daily meetings of the editors and business managers at 4:30 in the Publication Rooms, where informal discussions may be held. The members also wish to remind the College that the entries for the College Wits Number of Judge will close March 1.

He Reached the Top

THE Vice-President of a great life insurance company who began his career as an agent has this to say to seniors who are about to graduate from college:

"If you love work and desire to pursue an honorable, useful and lucrative mission in life this is the business for you to take up. Life insurance salesmanship offers a fine field for the energies of the splendid young men in our colleges.

"That this is true is demonstrated by those college men who have taken up life insurance for they have shown that the college man is fit for this kind of a job and that the job also is fit for the college man.

"The work of the life insurance salesman is distinguished by independence and opportunity for directing his own. It gives all possible opportunity for individual initiative and a chance to make an ample income at an age when most fellows are struggling on a wage pittance."

That is the story of one who began at the bottom and reached the top without the help of a college education. The advantages are with you who graduate from college. Before deciding your career make inquiries of the "Agency Department."

AN INTERESTING SUMMARY

For the first time since 1908 a complete Alumni Register has been published by the College. The Register contains not only the names of graduates, but also of all men who have at any time been in attendance at the College between the years 1812 and 1922.

The volume contains 267 pages. The General Roll of Alumni is preceded by a list of the 201 men who have been trustees of the College, and a roll of the ten presidents. Dr. M. Woolsey Stryker, '72, held the presidency for the greatest length of time, twenty-five years, while the Rev. S. E. Dwight was president for only two years. Five of the first six presidents were Yale graduates. Out of the six thousand graduates of Hamilton College, nearly one half are still living. At the end of the volume a complete personal index is added.

Statistics have been compiled by **Life** showing the total number of valedictorians, salutatorians and wearers of the Phi Beta Kappa key since the College was established, and how they are proportioned among the different fraternities.

HOCKEY SERIES ENDS THIS WEEK

E. L. S. and Alpha Delts in Deadlock —Sigs to Play in Finals

The results of the interfraternity hockey series leave the Sigs, Alpha Delts and E. L. S. tied for first honors. On Saturday afternoon the Alpha Delt and E. L. S. teams met in a regular semi-final game, but neither side was able to socre, and after three extra periods the game was ended.

The Sigs advanced quite easily to the finals, winning three games, from the D U's, the Neutrals, and Theta Delts respectively.

The first games of the tournament were played a week ago Saturday, when the Alpha Delts beat the Chi Psi team 3-0, and the Neutrals won from the Beta Kaps 2-0.

On Monday night the other three first-round games were played. The Sigs defeated the D U's 7-2, E. L. S. scored over the Dekes 5-0, and the Theta Delts won from the Psi U's 2-0.

Friday night witnessed the triumph of the Sigs over the Neutrals 4-1, and Saturday afternoon their victory over the Theta Delts 4-1.

The Alpha Delt—E. L. S. deadlock on Saturday afternoon was of course the closest and most hotly contested game of the whole series. Castle and Richards seemed to handle the puck most effectively but neither was able to break through the iron-clad defense of his opponents.

Y. M. C. A. MOVIES

A rapid fire comedy-drama will be shown on the Hill next Saturday when the Paramount feature, "Exit the Vamp," is thrown on the Commons screen. Ethel Clayton, one of the most popular stars of the moving picture world, is the leading player in this film which portrays the effort of an old-fashioned wife to win her husband away from the wiles of a "friend" who visits her and whose favorite indoor sport is a mild flirtation with a good looking male. The meek little wife sees the way things are going and lays plans accordingly. The denouement is sufficiently startling to send the audience home with hearty chuckles over the amusing situations which develop so rapidly in the course of the play.

The picture was written for the screen by Clara Beranger, one of the best scenarists of the film world. It was supervised by Thompson Buchanan, well-known playwright. The direction of the picture was placed in the capable hands of Frank Urson.

SKATERS LOSE TO BOSTON COLLEGE

Lightning Attack and Impregnable Defense Too Much for Hamilton Team—Marks Plays Good Game

In one of the fastest games that has been seen on the Russell Sage Rink, Hamilton was defeated by Boston College on Thursday night, by a score of 7-1. In spite of the seeming disparity in the points scored, the game was hard fought from start to finish, and the Buff and Blue skaters suffered no such disastrous let-up as in the Queens game. The veteran Boston sextet, victors over such teams as McGill, West Point, Queens, and the Boston Hockey Club, proved a brilliant combination of lightning attack and almost impregnable defense, and, by reason of their greater maturity and physical stamina, were able to set a pace which Hamilton could not follow. By quick get-aways and swift and accurate passwork, they were able to keep the puck well down in Buff and Blue territory for a large part of the time, while their own cage was endangered comparatively seldom. Much credit is due to Marks, who by his quick work at goal, was able to stop a great many dangerous shots, and to keep the score as low as it was.

The first period started off with a rush, and for a good five minutes neither side gained any appreciable advantage. By clever passwork the Boston skaters were able to come several times within striking distance of the goal ,only to have their shots stopped by Marks; while the Thompson brothers and Yates seemed unable to penetrate their opponent's defense. The first score for Boston was made towards the middle of the period by Foley, and within the next few minutes two others were made by Groden and Hughes, the first from a scrimmage near the cage, and the second on a long clean shot from the front. Hamilton's lone tally was scored by Russ Thompson, who in the last minute or so of play, took a pass from his brother and slipped it into the cage.

In the second period, the Hamilton defense began to stiffen up, and held Boston to two scores ,the first by Calhane and the second by Hughes. One-man work predominated, and a striking advantage of the Boston sextet became evident, in that their substitutes proved fully as good as their regular line-up, and so by frequent exchanges they were able to keep half their team fresh all the time, with unimpaired fighting power.

In the last third the Hamilton attacks ,though desperately brilliant at times, were unsustained, and Boston, playing with consistent skill, succeeded in shooting across two more goals, both made by Morrissey, with whose lightning attacks the Buff and Blue defense seemed unable to cope.

The summary of the game is as follows:

HAMILTON		BOSTON
1	right wing	7
R. Thompson		Calhane
	left wing	
Yates		Hughes
	center	
W. Thompson		Foley
	right defense	
Marlow		Morrissey
	left defense	
Price		Garrity
	goal	
Marks		Fitzgerald

Score by periods:

Hamilton	1	0	0—1
Boston	3	2	2—7

Referee: Noonan.

Goals: Morrissey 2, Hughes 2, Foley, Groden, Calhane, Boston; Russell Thompson, Hamilton.

BUSY SEASON AHEAD FOR MUSICAL CLUBS

Philadelphia Probably Included in Easter Trip—Extensive Advertising Planned

Plans for the Musical Clubs' season during the next two months are nearly complete, and include trips over a wide area. During the first two weeks in March at least two practice concerts will be given in nearby small towns, probably Ilion, Sherrill, Rome or Clinton. A three-day western trip will be undertaken, starting Mar. 15. On that night the clubs will appear in Rochester at the Powers Hotel, under the auspices of the Rochester Alumni Association, and sponsored by Mr. Vilas M. Swan, '16. Friday night a concert will be given at the Hotel Seneca in Buffalo, with the help of the Buffalo Alumni Association, headed by Mr. Newell H. Timerman, '18. On Saturday the Clubs will return to Warsaw, and appear at the Farman Theater, under the auspices of Wayne McVay, '21.

The Utica concert will be given on Mar. 22, in the New Century Auditorium.

The Easter trip will commence on Monday, April 2, with a concert at Binghamton, which has been secured by Edgar Couper, '20, and Addison Keeler, '20. On the following night a concert will be given in Oneonta, arranged by Edwin R. Moore, '17. Wednesday night an appearance will probably be made in the Hotel Ten Eyck at Albany, and while Thursday night is as yet open, it is expected that a concert will be secured in Philadelphia. The New York concert will be held on Friday night, April 6th, at the Waldorf-Astoria Hotel. This has been arranged for by Norman J. Marsh, '14, who was manager of the Clubs his last year here, and who has run the New York concert for the last three years. Saturday night the Clubs will appear in Hempstead, L. I., under the auspices of Adrian H. Courtenay, '03.

Realizing that the Clubs have been at a great disadvantage in previous years in not having enough advertising, the management is beginning an extensive advertising campaign this year. Aided by the Press Board it will send cuts and write-ups of the Club to every town in which they are to appear. As a part of a more extensive local campaign, the Clubs will broadcast a concert by radio on Feb. 28, from the J. & M. Electric Co., in Utica.

Whenever possible street car advertising will be employed to insure the success of concerts. Such extensive publicity is not merely to aid the business end of the season. The management feels that the program this year is a credit to the College and that it warrants large audiences for that reason.

PAGE—JOHNSON

Announcement was made recently of the marriage of Miss Elizabeth W. Johnson, daughter of Mr. John H. Johnson, to Mr. William N. Page, ex-'18, of New York, at the home of the bride's father in Penn Yan. The bride attended Miss Madeira's School in Washington and was graduated from Vassar in 1919. Mr. Page was a member of the Princeton Section, No. 523, of the United States Ambulance Service, attached to the French army, where he served for nearly two years. He is the son of Mr. and Mrs. William R. Page of New York and New Rochelle.

—"Zip" Griffith, '21, a former president of the Charlatans, has an important speaking part in "Peer Gynt", which was written by Henrik Ibsen.

HOL-NORD FEATURE SERVICE

John Van Norden, '20, and L. Preston Hollander, Harvard, '20, who were formerly associated on "The Mud Turtle," the official publication of the First Army Headquarters Regiment at Camp Greene, have organized the Hol-Nord Feature Service, with offices in Suite 1405 of the Canadian Pacific Bldg., 342 Madison Ave., New York City. This service will have connections with every reputable magazine and newspaper in the United States, and offers to give special attention to any humorous, fictional, dramatic, historical, or prose material which Hamilton men may please to submit to them for synidcation.

Van Norden writes "that a good syndicate is indispensible to a young author and is resorted to by the majority of well known feature writers because of its special facilities for getting in touch with newspaper and magazine editors."

A good article will sell to one pubication if not to another and a syndicate will naturally procure the highest possible price. The individual writer has not the time or the patience to wait in editors ante-rooms. When the material has been rejected by a half-dozen publications, he usually gives up hope of ever selling his scribal contribution.

The Hol-Nord Feature Service appreciates the fact that there is much good material produced by college men which never has an opportunity of bringing the merited financial reward.

ward, and Harmon Smith, center. Lash was their captain. Doane and Hatch played best for Hamilton, the latter making good several long shots. McGiffin ran true to form in making fouls count in the scoring. The court was one of the best played on by the Buff and Blue team.

However, despite the unfavorable score, Hamilton showed up better than did Colgate, which recently lost to Springfield 50-17.
